PROFESSIONAL SUMMARY

An enthusiastic web developer with a strong focus on front-end technologies, such as HTML, CSS, and JavaScript. I'm currently pursuing my Bachelor's degree in Computer Science & Data Analytics at IIT Patna and actively expanding my skillset to include Python for back-end development. My passion for technology extends to the fields of Data Science, AI, and Machine Learning. I am committed to continuous learning and strive to make impactful contributions in the ever-evolving digital realm.

SKILLS

- **Programming Languages:** JavaScript, Python
- **Web Development:** HTML, CSS
- **Databases:** MySQL
